NEG: National Emergency Grants:

The purpose of these grants are to help dislocated workers and their communities recover from the effects of plant closings, mass layoffs and disasters, especially if the usual formula dislocated worker funding cannot accommodate the increased demand for services.

Opioid Grant Program:

Funds will be used to provide career services, training and supportive services to boost the supply of qualified professionals in fields that have a positive impact on the opioid epidemic and to reintegrate individuals impacted by opioid use disorder back into the workforce. Eligible participants for these grants also include unemployed individuals who have

been directly affected by the opioid crisis, such as persons who have a history of substance dependency themselves, as well as individuals who are impacted by a friend or family member who is substance dependent.
